United States District Court

Western District of Pennsylvania

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

You must submit your person, property, house, residence, vehicle, papers, or office, to a search conducted by a United States probation officer. Failure to submit to a search may be grounds for revocation of release. You must warn any other occupants that the premises may be subject to searches pursuant to this condition. The probation officer may conduct a search under this condition only when reasonable suspicion exists that you have violated a condition of supervision and that the areas to be searched contain evidence of this violation. Any search must be conducted at a reasonable time and in a reasonable manner.

- You must not knowingly purchase, possess, distribute, administer, or otherwise use any psychoactive substances (e.g., synthetic marijuana, bath salts, etc.) that impair a person's physical or mental functioning, whether or not intended for human consumption, except with the prior approval of the probation officer.
- You must not go to, or remain at any place where you know controlled substances are illegally sold, used, distributed, or administered without first obtaining the permission of the probation officer. Except as authorized by court order, you must not possess, use or sell marijuana or any marijuana derivative (including THC) in any form (including edibles) or for any purpose (including medical purposes). Without the prior permission of the probation officer, you must not enter any location where marijuana or marijuana derivatives are dispensed, sold, packaged, or manufactured.
- You must participate in a mental health treatment program and follow the rules and regulations of that program. The probation officer, in consultation with the treatment provider, will supervise your participation in the program (provider, location, modality, duration, intensity, etc.).
- You must take all mental health medications that are prescribed by your treating physician.

- You must provide the U.S. Probation Officer with truthful and complete information regarding all computer hardware, software, electronic services, and data storage media to which you have access.
- You must submit your computers (as defined in 18 U.S.C. § 1030(e)(1)) or other electronic communications or data storage devices or media, to a search. You must not install any encryption software or mechanism on any such computer, device, or data storage media. You must furnish any password or passcode required to access the computer, device, or storage media to the probation officer upon request. You must warn any other people who use these computers or devices capable of accessing the Internet that the devices may be subject to searches pursuant to this condition. A probation officer may conduct a search pursuant to this condition only when reasonable suspicion exists that there is a violation of a condition of supervision and that the computer or device contains evidence of this violation. Any search will be conducted at a reasonable time and in a reasonable manner.
- You must allow the probation officer to install computer monitoring software on any computer (as defined in 18 U.S.C. § 1030(e)(1)) you use. To ensure compliance with the computer monitoring condition, you must allow the probation officer to conduct initial and periodic unannounced searches of any computers (as defined in 18 U.S.C. § 1030(e)(1)) subject to computer monitoring. These searches shall be conducted for the purposes of determining whether the computer contains any prohibited data prior to installation of the monitoring software; to determine whether the monitoring software is functioning effectively after its installation; and to determine whether there have been attempts to circumvent the monitoring software after its installation. You must warn any other people who use these computers that the computers may be subject to searches pursuant to this condition.
- You must not work in any type of employment without the prior approval of the probation officer.
